1. Locate the banner mounting brackets.
2. Connect the banner mounting brackets as shown.
3. Attach the banner brackets to the tent's leg and banner poles and tighten. The brackets attach at an angle with the edge (corner) of the leg clamping in the bracket. The bracket will point out at an angle from the tent.
4. Attach the banner with tie wraps to the top of the banner pole.
5. Insert a tie wrap in the mounting bracket hole.
6. Attach the bottom of the banner to the mounting bracket with tie wraps.
