

E-Z UP® INSTANT SHELTER®

E-Z UP®... The Original and Still the Best!™

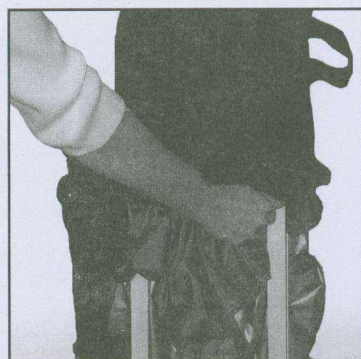

HOW TO USE YOUR HANDY E-Z UP® ROLLER BAG

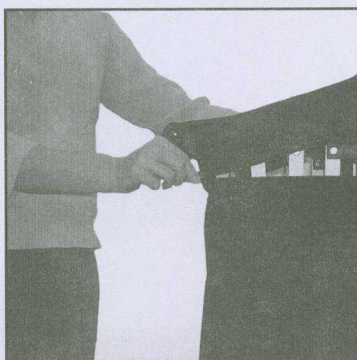

1. Close your E-Z UP® Instant Shelter® completely as shown in the picture.

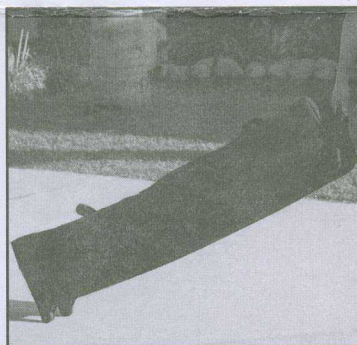

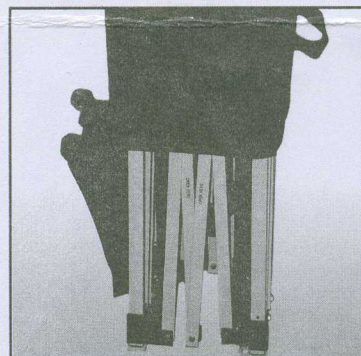

3. Turn E-Z UP® Instant Shelter® upside-down by carefully placing it on its side. With knees bent place hands underneath the shelter, lift and walk forward until it is upright. Note: Make sure to bend your knees slightly so back strain does not occur.

2. Open the roller bag by unzipping bag on the end. Place open end of bag over the top of the E-Z UP® Instant Shelter® and slide bag down until the shelter is completely covered.

4. Zip bag closed.

5. Roller bag is designed to be pulled by the handle.
